| <p>I wish to apply for a mini-headstone with two blank granite vases on the above burial plot. I have been advised that the lettering on the headstone will be $\frac{5}{8}$ in (1.6cm) height in silver and capitalised. The granite vases may only be inscribed on the front face with a maximum of 40 characters on each vase. The memorial has an individual garden space of 2' by 12" in front of the headstone for planting and authorised memorabilia. It is the owner's responsibility to keep the memorial in a clean and tidy condition, and should be cleaned with a soft cloth and water only as cleaning products may damage the memorial. As the memorial is designed to be removable for further inscriptions it will have slight movement when pressure is applied, therefore care should be taken when cleaning. I understand that if I request that the headstone is fixed firmly that there is a risk that it may be damaged upon removal for which the London Borough of Havering will bear no responsibility.</p> <p>Remains will be laid to rest in the lawn area immediately in front of the garden kerbs.</p> | | | | | | | | | | |
